## About Neuberger Berman

Neuberger Berman, founded in 1939, is a private, independent, employee-owned investment manager. The firm manages a range of strategies—including equity, fixed income, quantitative and multi-asset class, private equity and hedge funds—on behalf of institutions, advisors and individual investors globally. With offices in 23 countries, Neuberger Berman’s team is more than 2,100 professionals. For five consecutive years, the company has been named first or second in Pensions & Investments Best Places to Work in Money Management survey (among those with 1,000 employees or more). Tenured, stable and long-term in focus, the firm has built a diverse team of individuals united in their commitment to delivering compelling investment results for our clients over the long term. That commitment includes active consideration of environmental, social and governance factors. The firm manages \$323 billion in client assets as of March 31, 2019. Certain statements in this press release, such as those related to changes in a portfolio management team, constitute forward-looking statements, which involve known and unknown risks, uncertainties and other factors that may cause the actual results, levels of activity, performance or achievements of the strategy, or industry results, to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. Among other risks and uncertainties are the possibility of differences in the timing or nature of any portfolio manager changes, the adverse effect from a decline in the securities markets or a decline in the strategy’s performance, a general downturn in the economy, competition from other closed end investment companies, changes in government policy or regulation, inability of the strategy’s investment adviser to attract or retain key employees, inability of the strategy to implement its investment strategy, inability of the strategy to manage rapid expansion and unforeseen costs and other effects related to legal proceedings or investigations of governmental and self-regulatory organizations. As a result, no assurance can be given as to future results, levels of activity, performance or achievements, and neither the strategy nor any other person assumes responsibility for the accuracy.
