PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON AUGUST 12, 2003

THIS PROXY STATEMENT AND THE ACCOMPANYING FORM OF PROXY ARE BEING FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE BOARD OF DIRECTORS OF VERINT SYSTEMS INC., A DELAWARE CORPORATION ("VERINT" OR THE "COMPANY"), FOR USE AT THE ANNUAL MEETING OF THE STOCKHOLDERS OF THE COMPANY TO BE HELD ON TUESDAY, AUGUST 12, 2003 OR ANY ADJOURNMENT THEREOF (THE "ANNUAL MEETING"), AND ANY ADJOURNMENT OR POSTPONEMENT THEREOF. THE SHARES REPRESENTED

BY THE PROXIES RECEIVED, PROPERLY MARKED, DATED, EXECUTED AND NOT REVOKED WILL BE VOTED AT THE ANNUAL MEETING. THESE PROXY SOLICITATION MATERIALS ARE FIRST SENT OR GIVEN ON OR ABOUT JULY 7, 2003 TO STOCKHOLDERS ENTITLED TO VOTE AT THE ANNUAL MEETING.

REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by: (1) delivering to the Company (to the attention of the Company's General Counsel) a written notice of revocation or a duly executed proxy bearing a later date; or (2) attending the Annual Meeting and voting in person.

SOLICITATION AND VOTING PROCEDURES

The solicitation of proxies will be conducted primarily by mail, and the Company will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others who forward solicitation materials to beneficial owners of the Company's Common Stock, par value \$.001 per share (the "Common Stock"). The Company has retained American Stock Transfer & Trust Company to aid in the distribution of the proxy materials and the Company will bear all attendant costs. In addition to the solicitation of proxies by mail, the Company may solicit proxies by personal interview, telephone or by facsimile through its officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on June 27, 2003 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock of the Company entitled to notice of and to vote at the Annual Meeting. As of May 23, 2003 there were 24,002,944 shares of the Common Stock outstanding and

3

entitled to vote at the Annual Meeting. The presence at the Annual Meeting of a majority, or 12,001,473, of these shares of Common Stock, either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Each holder of shares of Common Stock issued and outstanding on the Record Date is entitled to one vote for each such share held on each matter of business to be considered at the Annual Meeting.

If any stockholder is unable to attend the Annual Meeting, such stockholder may vote by proxy. If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the inspectors of election appointed for the meeting and will determine whether or not a quorum is present.

Verint believes that abstentions and broker non-votes should be counted for purposes of determining if a quorum is present at the Annual Meeting for the transaction of business.

With respect to Proposal No. 1 - Election of Directors, directors are elected by plurality of the votes of the shares of common stock represented and voted at the meeting. This means that the director nominee with the most affirmative votes for a particular slot is elected for that slot. Consequently, only the number of votes "for" and "against" affect the outcome, and abstentions and broker non-votes will have no effect on the outcome of the election of directors, except to the extent that failure to vote for an individual results in another individual receiving a larger number of votes. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner.

The affirmative vote of a majority of the issued and outstanding shares of the Common Stock present in person or by proxy and entitled to vote at the Annual Meeting is required for approval of Proposal No. 2 - the approval of the 2002 Employee Stock Purchase Plan and Proposal No. 3 - Ratification of Independent Auditors. Abstentions and broker non-votes effectively count as votes against Proposals No. 2 and No. 3 since they are deemed to be present at the meeting. With respect to Proposals No. 2 and No. 3, the Company believes that brokers who are member firms of the New York Stock Exchange ("NYSE") and who hold shares in street name for customers have the authority under the rules

of the NYSE to vote those shares.

If no specification is made on the proxy as to the proposal, the shares represented by the proxy will be voted FOR the election of the nominees for directors named herein, FOR adoption of the 2002 Employee Stock Purchase Plan, FOR ratification of the engagement of Deloitte & Touche LLP as independent auditors of the Company for the fiscal year ending January 31, 2004 and with respect to any other matters that may come before the Annual Meeting, at the discretion of the proxy holders.

COMPENSATION OF DIRECTORS

Non-Independent Directors

Verint's non-independent directors do not currently receive any cash compensation for serving on the Board of Directors or any committee of the Board. These directors are reimbursed for the expenses they incur in attending meetings of the Board or Board committees. These directors have been granted options to purchase shares of Verint's Common Stock.

Independent Directors

Independent directors are entitled to receive an annual cash compensation of \$15,000, payable in arrears at the end of each fiscal quarter

Of the 5,000 options, 2,000 vested immediately upon grant and

14

the remaining 3,000 vested in increments of 750 shares for each board meeting attended during the year. In addition, these directors will be granted 6,000 options on each anniversary of the completion date of the initial public offering at the closing price of the Company's Common Stock on the date of grant which will vest in increments of 1,500 shares for each board meeting attended during the year after the grant.

If Mr. Myers is elected to the Board of Directors, he will receive the same compensation as the other independent directors.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended January 31, 2003, Messrs. Alexander, Bodner, Kreinberg and Sorin served as members of the Company's Compensation Committee. No interlocking relationship exists between the Company's Board of Directors and the Board of Directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIP WITH COMVERSE TECHNOLOGY AND ITS SUBSIDIARIES

Verint is a subsidiary of Comverse Technology. Set forth below is a brief description of the existing relationships and agreements between Verint and Comverse Technology.

The Company believes that the terms of the corporate services agreement, the enterprise resource planning ("ERP") software sharing agreement and the satellite services agreement described below are fair to us and are no less favorable to us from those we could have obtained from an unaffiliated third party. Verint reached this conclusion based on, in the case of the corporate services agreement, discussions with unaffiliated third party providers of comparable services, and in the case of the ERP software sharing agreement and the satellite services agreement, its affiliates' estimated costs in providing such services.

Corporate Services Agreement

The Company has a corporate services agreement with Comverse Technology. Under this agreement, Comverse Technology provides the Company with the following services:

- o maintaining in effect general liability and other insurance policies providing coverage for the Company;
- o maintaining in effect a policy of directors' and officers' insurance covering the Company's directors and officers;

15

- o administration of employee benefit plans;
- o routine legal services; and
- o consulting services with respect to the Company's public relations.

For the years ended January 31, 2001, 2002 and 2003, the Company recorded expenses of \$500,000, \$500,000, and \$525,000, respectively, for the services provided by Comverse Technology. As of February 1, 2003, the Company will pay Comverse Technology a quarterly fee of \$143,750, subject to adjustment and annual increases, for services provided by Comverse Technology during each fiscal quarter. In addition, the Company agreed to reimburse Comverse Technology

for any out-of-pocket expenses incurred by Comverse Technology in providing the services. During the years ended January 31, 2001, 2002 and 2003, no amounts were paid or accrued to Comverse Technology for reimbursement of out-of-pocket expenses. The term of this agreement extends to January 31, 2005 and is automatically extended for additional twelve-month periods unless terminated by either Comverse Technology or the Company.

Enterprise Resource Planning Software Sharing Agreement

In January 2002, the Company entered into an ERP software sharing agreement with Comverse, Ltd., a subsidiary of Comverse Technology. Under this agreement, Comverse Ltd. agreed to continue to share the use of specific ERP software with the Company and undertook to exert its reasonable commercial efforts to arrange for the ongoing operation, maintenance and support of the software for an annual fee of \$100,000. The terms of the ERP Software Sharing Agreement and the fee payable to Comverse Ltd. were determined by arm's length negotiations between the Company and Comverse Ltd. The Company was charged \$200,000, \$100,000, and \$100,000 for the years ended January 31, 2001, 2002 and 2003, respectively, for ERP support services. This agreement expires February 1, 2004, and automatically renews for successive one year terms unless terminated upon six months prior written notice. The first time notice of termination may be given is on February 1, 2004.

Satellite Services Agreement

In January 2002, the Company entered into a services agreement with Comverse Inc., a subsidiary of Comverse Technology, pursuant to which Comverse Inc. and its subsidiaries provide the Company with the exclusive use of the services of specified employees of Comverse Inc. and its facilities where such employees are located. Under this agreement, the Company pays Comverse Inc. a fee, which is equal to the expenses Comverse Inc. incurs in providing these services plus ten percent. During the year ended January 31, 2001, 2002 and 2003, the Company recorded expenses of \$1,193,000, \$1,817,000, and \$1,809,000, respectively, for services rendered by Comverse Inc. under this agreement.

16

Other Transactions with Other Subsidiaries of Comverse Technology

The Company charges subsidiaries of Comverse Technology for services relating to the use of the Company's facilities and employees. Charges to these subsidiaries were approximately \$1,006,000, \$1,030,000, and \$175,000 for the years ended January 31, 2001, 2002 and 2003, respectively. In addition the Company sold products to subsidiaries of Comverse Technology. Sales to these subsidiaries were approximately \$0, \$0 and \$8,000 for the years ended January 31, 2001, 2002 and 2003, respectively.

The Company also purchased products and services from other subsidiaries of Comverse Technology in the ordinary course of business. Purchases from these subsidiaries were approximately \$0, \$2,000, and \$18,000 for the years ended January 31, 2001, 2002 and 2003, respectively.

Federal Income Tax Sharing Agreement

The Company has a tax sharing agreement with Comverse Technology. Comverse Technology is the parent company of a group of companies for which Comverse Technology files a consolidated federal income tax return. Prior to the Company's initial public offering, it was included in the Comverse Technology consolidated group for federal income tax purposes and did not file its own federal income tax return. Upon completion of the Company's initial public offering, it ceased to be included in the Comverse Technology consolidated group for federal income tax purposes and started filing federal tax returns on a stand-alone basis. Under the terms of the tax sharing agreement, during years in which Comverse Technology filed a consolidated federal income tax return which includes the Company, the Company was required to pay Comverse Technology an amount equal to its separate tax liability computed by Comverse Technology in its reasonable discretion. The Company's separate tax liability generally is the amount of federal income tax that it would owe if it had filed a tax return independent of the Comverse Technology group. If the calculation of the Company's tax liability for any year results in a net operating loss or capital loss, it is not entitled to receive any payments from Comverse Technology with respect to such loss in such year or as a result of carrying such loss back to any prior year or forward to any future year, or otherwise to take such loss

into account in determining its liability to Comverse Technology, including in the event that Comverse Technology utilizes such loss to reduce its own tax liability so that such loss is not available to the Company in the event of deconsolidation. The tax sharing agreement also provides for certain payments in the event of adjustments to the tax liability. The tax sharing agreement continues in effect until 60 days after the expiration of the applicable statute of limitations with respect to the final year of the Comverse Technology consolidated group which includes the Company.

Patent License Agreement

The Company's affiliate, Comverse Patent Holding, granted Lucent GRL a non-exclusive license to those patents now owned by Comverse Patent Holding or

17

for which Comverse Patent Holding has a right to license and to those patents granted to Comverse Patent Holding or for which Comverse Patent Holding obtains the right to license during the term of that arrangement. In return, Comverse Patent Holding was granted a non-exclusive license to certain patents now owned by Lucent GRL or for which Lucent GRL has the right to license and to those patents granted to Lucent GRL or for which Lucent GRL obtains the right to license during the term of that arrangement. Under that arrangement, Comverse Patent Holding has the right to grant a sublicense to the Company. In connection with that arrangement, effective December 30, 1999, the Company entered into a patent license agreement with Comverse Patent Holding under which the Company has granted a non-exclusive royalty-free license to Comverse Patent Holding with the right to sublicense to Lucent GRL the Company's patents and those patents granted to the Company or for which the Company obtains the right to license during the term of the agreement. In return, Comverse Patent Holding granted to the Company a non-exclusive royalty-free sublicense to all patents that are licensed by Lucent GRL to Comverse Patent Holding. The Company believes that the value of the sublicense from Comverse Patent Holding is greater than the value of the license to Comverse Patent Holding.

Registration Rights Agreement

The Company has entered into a registration rights agreement with Comverse Technology. Under this agreement, Comverse Technology may require the Company on one occasion to register the Company's common stock for sale on Form S-1 under the Securities Act of 1933 (the "Act") if the Company is not eligible to use Form S-3 under the Act. After the Company becomes eligible to use Form S-3, Comverse Technology may require the Company on unlimited occasions to register the Company's common stock for sale on this form. Comverse Technology will also have an unlimited number of piggyback registration rights.

The Company has agreed to pay all expenses that result from registration of its common stock under the registration rights agreement, other than underwriting commissions for such shares and taxes. The Company has also agreed to indemnify Comverse Technology, its directors, officers and employees against liabilities that may result from its sale of the Company's common stock, including Securities Act liabilities.

Business Opportunities Agreement

The Company has a business opportunities agreement with Comverse Technology, which addresses potential conflicts of interest between Comverse Technology and the Company. This agreement allocates between Comverse Technology and the Company opportunities to pursue transactions or matters that, absent such allocation, could constitute corporate opportunities of both companies. The Company is precluded from pursuing an opportunity offered to any person who is a director of the Company but not an officer or employee of the Company and who is also an officer or employee of Comverse Technology, unless Comverse Technology fails to pursue such opportunity diligently. Comverse Technology is precluded from pursuing an opportunity offered to any person who is a director of Comverse Technology but not an officer or employee of Comverse Technology and who is also

18

an officer or employee of the Company, unless the Company fails to pursue such opportunity diligently. The Company is also precluded from pursuing an opportunity offered to any person who is an employee or officer of both companies or a director of both companies, unless Comverse Technology fails to

pursue such opportunity diligently. Accordingly, the Company may be precluded from pursuing transactions or opportunities that the Company would otherwise be able to pursue if the Company was not affiliated with Comverse Technology. The Company has agreed to indemnify Comverse Technology and its directors, officers, employees and agents against any liabilities arising out of any claim that any provision of the agreement or the failure to offer any business opportunity to the Company violates or breaches any duty that may be owed to the Company by Comverse Technology or any such person.

Proxy Agreement with the Department of Defense

One of the Company's subsidiaries, Verint Technology Inc. ("Verint Technology"), is engaged in the development, marketing and the sale of the Company's communications interception solutions to various U.S. governmental agencies. In order to conduct its business, Verint Technology is required to maintain facility security clearances under the National Industrial Security Program ("NISP"). The NISP requires companies maintaining facility security clearances to be insulated from foreign ownership, control or influence. The Company, Comverse Technology and the Department of Defense have entered into a proxy agreement with respect to the ownership and operations of Verint Technology. The proxy agreement has been approved by the Defense Security Service, which has oversight responsibilities on behalf of the Department of Defense.

Under the proxy agreement, the Company appointed three U.S. citizens that have the requisite personal security clearance as directors of Verint Technology and as holders of proxies to vote the stock of Verint Technology. These individuals are responsible for the oversight of Verint Technology's security arrangements, including the separation of Verint Technology from the Company and the Company's affiliates. As proxy holders, these individuals have the power to exercise all prerogatives of ownership of Verint Technology, except that without obtaining the Company's express written approval they may not authorize any individual sale or disposal of capital assets constituting a material amount of Verint Technology's assets, the mortgaging of assets other than for working capital or capital improvement purposes, any merger, consolidation, reorganization or dissolution of Verint Technology and the filing of a petition under the federal bankruptcy laws.

Under the proxy agreement, the Company has also established a government security committee, which consists of the three proxy holders. The government security committee is in charge of the development and implementation of a technology control plan, which prescribes measures and establishes procedures to prevent unauthorized disclosure or export of controlled information to the Company, any of the Company's affiliates or others. In

19

addition, the proxy agreement establishes procedures regarding meetings, visits and communications between Verint Technology, the Company and the Company's other affiliates. The Department of Defense continually reviews the technology control plan and receives an annual report from the proxy holders.

Under this agreement, the Company received all of the burdens, benefits and incidents of ownership in each of the companies as of February 1, 2001. This transaction was designed to qualify as a tax-free exchange pursuant to section 351(a) of the Internal Revenue Code of 1986, as amended (the "Code").

This transaction was accounted for as a pooling of interests.

Sale of Comverse Media Holding Inc.

In February 2001, the Company sold 100% of the capital stock of Comverse Media Holding Inc. to Comverse, Inc. The purchase price for the shares of Comverse Media Holding Inc. was \$100,000, which was paid by a reduction in intercompany debt that the Company owed to Comverse, Inc.

Indemnification Agreement with Comverse Technology

On January 31, 2002, the Company entered into an indemnification agreement with Comverse Technology pursuant to which Comverse Technology agreed to indemnify the Company for any damages that may arise from two specified disputes, which are not material to the Company. In return, the Company granted to Comverse Technology the exclusive control of the settlement and defense of these disputes, and the Company agreed to fully cooperate with Comverse Technology in any such settlement or defense.

20

Transactions with an Affiliate

The Company sells products and services to Verint Systems (Singapore) PTE LTD ("Verint Singapore") an affiliated systems integrator in which the Company holds 50% equity interest. Sales to Verint Singapore were approximately \$4,271,000, \$4,024,000, and \$2,286,000 for the years ended January 31, 2001, 2002 and 2003, respectively. In addition, the Company was charged marketing and office service fees by that affiliate. These fees were approximately \$270,000, \$490,000, and \$361,000 for the years ended January 31, 2001, 2002 and 2003, respectively. The Company believes that Verint Singapore has determined these charges on the basis of its estimated costs in providing such services.

Intercompany Loan

The Company was charged interest on balances owed to Comverse Technology amounting to \$2,142,000 and \$1,458,000 for the years ended January 31, 2001 and 2002, respectively. The interest rate on the indebtedness to Comverse Technology was the three-month LIBOR rate. The principal amount of the indebtedness to Comverse Technology and related accrued and unpaid interest was due on demand and was repaid on January 31, 2002 with the proceeds of a bank loan. The Company does not expect to be dependent on Comverse Technology for its financing needs for the foreseeable future.

Guarantees of Leases

Comverse Technology has guaranteed the payment of rent and the performance of all other obligations under the leases for the Company's facilities in Woodbury, New York which expired April 2003 and the lease for the Company's vacated facility in the United Kingdom.

In August 2000, Mr. Ledwell also received options to purchase 24,000 shares of Comverse Technology common stock. On May 1, 2003, Mr. Ledwell ceased serving as Loronix's President and Chief Executive Officer and became the Chief Strategic Officer of the Company. In that capacity, Mr. Ledwell continues to receive the same base salary as under his employment agreement, as well as a bonus to be determined at the discretion of the Compensation Committee.

21

CONCERNING EXECUTIVE COMPENSATION

Generally

The Compensation Committee determines the salaries for executive officers and other members of senior management, and makes recommendations to the Board of Directors regarding the Company's incentive compensation and benefit plans, except with respect to stock options, with respect to which the Compensation Committee makes recommendations to the Stock Option Committee. The Stock Option Committee administers the issuances of stock options under the Company's 2002 Stock Incentive Compensation Plan.

The Company's overall compensation philosophy is to provide a total compensation package that is competitive and enables Verint to attract, motivate, reward and retain key executives and other senior management. The principal components of the Company's executive compensation arrangements are base salary, cash bonus awards and stock options. Compensation arrangements for senior management personnel in certain instances include a performance-based component as well as discretionary bonus awards.

Salary levels for executive officers and senior management are reviewed annually, and are adjusted periodically when the Company believes that adjustment is required, taking into account competitive factors in the industries and locations of the Company's activities. In establishing compensation levels throughout the organization, the Company relies to a significant extent on its direct experience in the recruitment of personnel as well as reported compensation levels of senior management of other, similarly situated companies. Supplemental cash bonus awards are made periodically to reflect superior performance, and in certain instances in accordance with formulas based on the profitability of the Company or its individual business units.

The Compensation Committee and the Stock Option Committee believe that equity-based incentive arrangements, such as employee stock options and employee stock purchase plans, are among the most effective means available to the Company of aligning the interests of employees with the objectives of stockholders generally, and of building their long-term commitment to the organization. The Company emphasizes stock option awards as an essential element of the remuneration package available to its executives and senior management. Stock options typically vest in increments over a number of years to encourage long-term commitment to the Company by the grantees.

The Company considers both available competitive data and subjective performance evaluations in determining the number of options to grant to its executive officers and key employees. During the year ended January 31, 2003, the Company granted options to purchase an aggregate of 581,249 shares of Common Stock, including options to purchase an aggregate of 76,322 shares awarded to executive officers of the Company.

22

Section 162(m) of the Code, places a limit of \$1,000,000 on the amount of compensation that may be deducted by the Company in any year with respect to each of the Company's five most highly paid executive officers. Certain performance-based compensation that has been approved by stockholders is not subject to the deduction limit. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy that all compensation must be deductible.

Compensation of the Chief Executive Officer

Mr. Bodner, President and Chief Executive Officer of the Company, has served as the Company's President and/or Chief Executive Officer since 1994. Mr. Bodner is employed as President and Chief Executive Officer of the Company under an agreement providing for an annual salary of \$200,000 and an annual bonus which is based on the performance of Mr. Bodner and the Company. Mr. Bodner is also entitled to receive the use of an automobile owned or leased by the Company.

Mr. Bodner's compensation has been established by the Compensation Committee and was discussed by the members of the Compensation Committee other than Mr. Bodner, with the stock option component of Mr. Bodner's compensation being approved by the Stock Option Committee upon the recommendation of the

Compensation Committee. In approving such terms, the Compensation Committee has taken into account compensation levels of chief executive officers of other publicly-held companies and the financial performance achieved by the Company throughout the most current fiscal year, as well as during Mr. Bodner's tenure as Chief Executive Officer.

26

SUMMARY OF THE STOCK PURCHASE PLAN

The following is a summary of the principal features of the Stock Purchase Plan, but such summary is qualified in its entirety by reference to the complete text of the Stock Purchase Plan, as amended, attached to this Proxy Statement as Exhibit A. of a share of Common Stock on the Nasdaq National Market on the first day of the offering period or (ii) 85% of such price on the last day of the offering period.

Amendment. The Board of Directors may at any time, and from time to time, modify, terminate or amend the Stock Purchase Plan in any respect without obtaining stockholder approval, except where the approval of the stockholders of the Company is required as to such modification or amendment under (i) Section 423 of the Code, (ii) Rule 16b-3 of the Exchange Act or any successor provisions ("Rule 16b-3") or (iii) under any applicable listing requirement of the NASDAQ National Market System.

The termination, modification or amendment of the Stock Purchase Plan shall not, without the consent of a Participant, affect his or her rights under a purchase option previously granted to the Participant. With the consent of the Participant affected, the Board of Directors may amend outstanding purchase options in a manner not inconsistent with the terms of the Stock Purchase Plan. The Board of Directors shall also have the right to amend or modify the terms and provisions of the Stock Purchase Plan and of any purchase options previously granted under the Stock Purchase Plan to the extent necessary to ensure the continued qualification of the Stock Purchase Plan under Section 423 of the Code and Rule 16b-3. The Stock Purchase Plan also contains provisions relating to the

disposition of purchase options in the event of certain mergers or other significant transactions involving the Company.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The Stock Purchase Plan, and the rights of Participants to make purchases thereunder, is intended to qualify as an "employee stock purchase plan" under Section 423 of the Code. No income (other than dividends) will be taxable to a Participant until disposition of the shares purchased under the Stock Purchase Plan. Upon the disposition of the shares of Common Stock, the Participant will generally be subject to tax and the amount of the tax will depend upon the holding period.

If the shares are disposed of more than two years from the first day of the Offering Period, or if the Participant dies (at any time, regardless of the holding period), the Participant will recognize ordinary income for the taxable year of the disposition or death measured as the lesser of (a) the excess of the fair market value of the shares at the time of such disposition over the purchase price or (b) an amount equal to 15% of the purchase price of the shares. The Company will not be entitled to a corresponding deduction.

If the shares are disposed of within two years of the first day of the Offering Period (a "Disqualifying Disposition"), the Participant will recognize ordinary income for the taxable year of the disposition generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss will be treated as short-term or long-term capital gain or loss depending on the length of time the Participant held the Common Stock. Subject to the limitation described in the next sentence, the Company will be entitled to a tax deduction equal to the amount of ordinary income recognized as described in this paragraph. Under Section 162(m), the Company's tax deduction for all compensation paid to specified officers in any one year is limited to \$1,000,000

28

unless the compensation qualifies for an exemption from this limitation. Amounts recognized as ordinary income on a Disqualifying Disposition will not be exempt.

The Participant's tax basis in the shares will initially be his or her purchase price for those particular shares, and that tax basis will be increased at the time of disposition of the shares by the foregoing taxable amount. In the case of a taxable disposition of the shares, the difference between such adjusted tax basis and the amount realized will be capital gain or loss, either long-term or short-term, depending upon how long the shares have been held on the date of disposition.

EXHIBIT A

VERINT SYSTEMS INC.

2002 EMPLOYEE STOCK PURCHASE PLAN

AMENDED AND RESTATED AS OF MAY 22, 2003

1. PURPOSES.

The 2002 Employee Stock Purchase Plan of Verint Systems Inc. (the "Plan") is intended to provide a method whereby employees of Verint Systems Inc. and its subsidiary and predecessor corporations, if any (hereinafter collectively referred to, unless the context otherwise requires, the "Company"), will have an opportunity to acquire a proprietary interest in the Company through the purchase of shares of Common Stock of the Company. It is the intention of the Company to have the Plan qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). The provisions of the Plan shall, accordingly, be construed so as to

extend and limit participation in a manner consistent with the requirements of Section 423 of the Code.

2. DEFINITIONS.

(a) "Annualized Base Pay" means: (i) for any Employee who was employed by the Company for an entire twelve-month period ending on the day prior to an Offering Commencement Date, the Employee's total Base Pay for such twelve-month period; or (ii) for any Employee not employed for the entire twelve-month period ending on the day prior to an Offering Commencement Date, the sum of the Base Pay earned in each of the full calendar months prior to the Offering Commencement Date during which the Employee was employed by the Company, divided by the number of full calendar months for which the Employee was employed, multiplied by twelve.

(b) "Base Pay" means regular straight-time earnings (as the same may be adjusted from time to time) but excluding payments for overtime, shift differentials, incentive compensation, sales commissions, bonuses and other special payments.

(c) "Common Stock" means the common stock of the Company, par value \$.001, or such other class or kind of shares or other securities resulting from the application of Paragraphs 17 or 20.

(d) "Employee" means any person who is customarily employed for 20 or more hours per week and more than five months in a calendar year by the Company or by a Subsidiary Corporation.

(e) "Offering Commencement Date" means the applicable date on which an Offering under the Plan commences pursuant to Paragraph 4(a).

(f) "Offering Termination Date" means the applicable date on which an Offering under the Plan terminates pursuant to Paragraph 4(a).

(g) "Subsidiary Corporation" means any present or future corporation which (i) is a "subsidiary corporation" as that term is defined in Section 424(f) of the Code and (ii) is designated as a participant in the Plan by the Board of Directors or Committee described in Paragraph 13.

3. ELIGIBILITY.

(a) Any Employee who shall have completed three (3) months of employment and shall be employed by the Company on the applicable Offering Commencement Date shall be eligible to participate in the Plan.

(b) Any provision of the Plan to the contrary notwithstanding, no Employee shall be granted an option to participate in the Plan:

(i) if, immediately after the grant, such Employee would own stock, and/or hold outstanding options to purchase stock, possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or of any Subsidiary Corporation (for purposes of this Paragraph the rules of Section 424(d) of the Code shall apply in determining stock ownership of any employee); or

(ii) which permits his or her rights to purchase stock under all employee stock purchase plans maintained by the Company and its subsidiaries to accrue at a rate which exceeds \$25,000 of the fair market value of the stock (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time.

4. OFFERING DATES.

(a) The Plan will be implemented by semiannual offerings (referred to herein collectively as "Offerings" and individually as an "Offering") of a maximum aggregate of 1,000,000 shares (subject to adjustment as provided in Paragraph 12(a) and 17) of Common Stock, subject to Paragraph 12, 17 and 22 below, as follows:

(i) Offering I shall commence on each April 1 and terminate on each September 30.

(ii) Offering II shall commence on each October 1 and terminate on each March 31.

Participation in any one Offering under the Plan shall neither limit, nor require, participation in any other Offering.

(b) The first Offering shall commence on September 1, 2002.

5. PARTICIPATION.

All Employees will become participants in an Offering on the applicable Offering Commencement Date. Payroll deductions, if any, for a participant shall commence on the applicable Offering Commencement Date of the Offering and shall end on the Offering Termination Date of such Offering, unless sooner terminated pursuant to Paragraph 10.

6. PAYROLL DEDUCTIONS.

(a) Participants may elect to have amounts withheld from their Base Pay by completing an authorization for a payroll deduction ("Authorization") on the form provided by the Company and filing it with the Company's Payroll department. At the time a participant files his or her Authorization for a payroll deduction, the participant shall elect to have deductions made from his or her pay on each payday during the time he or she is a participant in an Offering at the rate of 0, 1, 2, 3, 4, 5, 6, 7, 8, 9 or 10% of his or her Annualized Base Pay. If a participant has not filed an Authorization for a previous Offering or for the applicable Offering at least seven (7) days prior to the applicable Offering Commencement Date, he or she shall be deemed to have filed an Authorization electing to withhold 0% of his or her Annualized Base Pay.

(b) All payroll deductions made for the participant shall be credited to his or her account maintained by the Company under the Plan. A participant may not make any separate cash payment into such account.

(c) Except as provided in Paragraph 8(b) or 10, a participant may only make changes to the rate of deduction from his or her Annualized Base Pay, on not more than one occasion during an Offering, by completing a new Authorization on the form provided by the Company and filing it with the Company's Director of Treasury Operations as provided herein. Such new Authorization shall be effective upon the commencement of the first pay period subsequent to its filing. A participant may change his or her Authorization only once during any Offering.

7. GRANTING OF OPTION.

(a) For each of the Offerings, a participating Employee shall be deemed to have been granted an option (the "Option"), on the applicable Offering Commencement Date, to purchase a maximum number of shares of Common Stock equal to an amount determined as follows: 85% of the market value of a share of the Company's Common Stock on the applicable Offering Commencement Date shall be divided into an amount equal to the Authorization the Employee has filed with the Company's payroll department. For all purposes of the Plan, the market value of the Company's Common Stock shall be determined as provided in subparagraph (b) below.

(b) The purchase price of a share of Common Stock purchased with payroll deductions made during each Offering (the "Option Exercise Price") shall be the lower of:

(i) 85% of the last sale price of the Common Stock on the Nasdaq National Market (or on such other national securities exchange on which the Common Stock is then traded) as reported in The Wall Street Journal on the applicable Offering Commencement Date (or on the next regular business date on which shares of Common Stock shall be traded if no shares of Common Stock shall have been traded on such Offering Commencement Date); or

(ii) 85% of the last sale price of Common Stock on the Nasdaq National Market (or on such other national securities exchange on which the

Common Stock is then traded) as reported in The Wall Street Journal on the applicable Offering Termination Date (or on the next regular business date on which shares of Common Stock shall be traded if no shares of Common Stock shall have been traded on such Offering Termination Date).

8. EXERCISE OF OPTIONS.

With respect to each Offering during the term of the Plan:

(a) Unless a participant gives written notice of withdrawal to the Company as provided in Paragraphs 8(b) and 10, his or her Option will be deemed to have been exercised automatically on the Offering Termination Date applicable to such Offering, for the purchase of the number of full shares of Common Stock which the accumulated payroll deductions (without interest) in his or her account maintained by the Company under the Plan at that time will purchase at the applicable Option Exercise Price (but not in excess of the number of shares for which Options have been granted to the Employee pursuant to Paragraph 7(a)), and any excess in his or her account at that time will be returned to him or her, with interest as determined by the Committee prior to each Offering Commencement Date, based on the assumption that such excess comprises funds most recently deducted from the participant's pay; provided that any excess returned on account of fractional shares will not be credited with any interest.

(b) By written notice to the Director of Treasury Operations of the Company at any time prior to the Offering Termination Date applicable to any such Offering, a participant may elect to withdraw all, but not less than all, of the accumulated payroll deductions in his or her account at such time, with interest as determined by the Committee prior to each Offering Commencement Date.

(c) Fractional shares will not be issued under the Plan and any accumulated payroll deductions which would have been used to purchase fractional shares shall be returned to an employee without interest promptly following the termination of an Offering.

9. DELIVERY.

As promptly as practicable after the Offering Termination Date of each Offering, the Company will deliver to each participant, as appropriate, the

certificate or certificates representing the shares of Common Stock purchased upon the exercise of such participant's Option.

10. WITHDRAWAL.

(a) As indicated in Paragraph 8(b), a participant may withdraw payroll deductions credited to his or her account with the Company under any Offering at any time prior to the applicable Offering Termination Date by giving written notice of withdrawal to the Director of Treasury Operations. All of the participant's payroll deductions credited to his or her account will be paid to the participant promptly after receipt of such notice of withdrawal and no further payroll deductions will be made from his or her pay during such Offering. The Company may, at its option, treat any attempt by an employee to borrow on the security of accumulated payroll deductions as an election, under Paragraph 8(b), to withdraw such deductions.

(b) A participant's withdrawal from any Offering will not have any effect upon his or her eligibility to participate in any succeeding Offering or in any similar Plan which may hereafter be adopted by the Company.

(c) Upon termination of the participant's employment for any reason, including retirement but excluding death or disability, while in the employ of the Company, the payroll deductions credited to his or her account will be returned to the participant, with interest as determined by the Committee prior to each Offering Commencement Date, or, in the case of his or her death subsequent to the termination of employment, to the person or persons entitled thereto under Paragraph 14.

(d) Upon termination of the participant's employment because of disability or death, the participant or his or her beneficiary (as defined in Paragraph 14) shall have the right to elect, by written notice given to the

Company's Director of Treasury Operations prior to the expiration of the period of 30 days commencing with the date of the disability or death of the participant, either

(i) to withdraw all of the payroll deductions credited to the participant's account under the Plan; or

(ii) to exercise the participant's Option on the Offering Termination Date next following the date of the participant's disability or death for the purchase of the number of full shares of Common Stock which the accumulated payroll deductions in the participant's account at the date of the participant's disability or death will purchase at the applicable Option Exercise Price, and any excess in such account will be returned to the participant or said beneficiary.

If no such written notice of election is received by the Director of Treasury Operations, the participant or beneficiary shall automatically be deemed to have elected to withdraw the payroll deductions credited to the participant's account at the date of the participant's disability or death and

the same will be paid promptly to the participant or said beneficiary with interest as determined by the Committee prior to each Offering Commencement Date.

11. INTEREST.

No interest will be paid or allowed on any money paid into the Plan or credited to the account of any participant employee except under withdrawal as provided under Paragraphs 8(b) and 10 or upon the return of payroll deductions as provided under Paragraphs 8(a) and 12(a). In the event of the return of excess payroll deductions under Paragraphs 8(a) and 12(a), interest thereon, if any, shall be computed assuming that such excess comprises funds most recently deducted from the participant's pay.

12. STOCK.

(a) The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be 1,000,000 shares, subject to adjustment upon changes in capitalization of the Company as provided in Paragraph 17. If the total number of shares for which Options are exercised in accordance with Paragraph 8 exceeds 1,000,000, the Company shall make a pro rata allocation of the shares available for delivery and distribution in as nearly a uniform manner as shall be practicable and as it shall determine to be equitable, and the balance of payroll deductions credited to the account of each participant under the Plan shall be returned to him or her as promptly as possible, with interest on such balance at the rate determined by the Committee prior to each Offering Commencement Date, based on the assumption that such excess comprises funds most recently deducted from the participant's pay.

(b) The participant will have no interest in Common Stock covered by his or her Option until such Option has been exercised.

(c) Common Stock to be delivered to a participant under the Plan will be issued in the name of the participant, or, if the participant so directs, by written notice to the Company prior to the Offering Termination Date applicable thereto, in the names of the participant and one such other person as may be designated by the participant, as joint tenants with rights of survivorship, to the extent permitted by applicable law.

13. ADMINISTRATION.

The Plan shall be administered by the committee appointed by the Board of Directors of the Company to administer the Plan (the committee so designated by the Board of Directors shall hereinafter be referred to as the "Committee"). The officer of the Company charged with day-to-day administration of the Plan shall, for matters involving the Plan, be an ex-officio member of the Committee. The interpretation and construction of any provision of the Plan and the adoption of rules and regulations for administering the Plan shall be made by the Committee, subject, however, at all times to the final approval of the Board of Directors of the Company. Such rules may include, without limitation, restrictions on the frequency of changes in withholding rates.

Determinations made by the Committee and approved by the Board of Directors of

the Company with respect to any matter or provision contained in the Plan shall be final, conclusive and binding upon the Company and upon all participants, their heirs or legal representatives. Any rule or regulation adopted by the Committee shall remain in full force and effect unless and until altered, amended or repealed by the Committee or the Board of Directors of the Company.

14. DESIGNATION OF BENEFICIARY.

A participant may file a written designation of a beneficiary who is to receive any shares of Common Stock and/or cash in the event of the death of the participant prior to the delivery of such shares or cash to the participant. Such designation of beneficiary may be changed by the participant at any time by written notice to the Company's payroll department. Within 30 days after the participant's death, the beneficiary may, as provided in Paragraph 10(d), elect to exercise the participant's Option when it becomes exercisable on the Offering Termination Date of the then current Offering. Upon the death of a participant and upon receipt by the Company of proof of identity and existence at the participant's death, (of a beneficiary validly designated by the participant under the Plan) and upon and notice of election of the validly designated beneficiary to exercise the participant's Option, the Company shall deliver such stock and/or cash to such beneficiary. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such stock and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company) the Company, in its discretion, may deliver such stock and/or cash to the spouse or to any one or more dependents of the participant as the Company may determine. No beneficiary shall prior to the death of the participant by whom he or she has been designated acquire any interest in the stock or cash credited to the participant's account maintained by the Company under the Plan.

15. TRANSFERABILITY.

Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an Option or to receive stock under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way by the participant otherwise than by will or the laws of descent and distribution. Any such attempted assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Paragraph 8(b).

16. USE OF FUNDS.

All payroll deductions received or held by the Company under this Plan may be used by the Company for any corporate purpose and the Company shall not be obligated to segregate such payroll deductions.

17. EFFECTS OF CHANGES OF COMMON STOCK.

In the event of any changes of outstanding shares of the Common Stock by reason of stock dividends, subdivisions, combinations and exchanges of shares, recapitalizations, mergers in which the Company is the surviving corporation, consolidations, and the like, the aggregate number of and class of shares available under the Plan and Option Exercise Price per share shall be appropriately adjusted by the Board of Directors of the Company, whose determination shall be conclusive. Any such adjustments may provide for the elimination of any fractional shares which would otherwise become subject to any Options.

18. AMENDMENT OR TERMINATION.

(a) The Board of Directors of the Company may at any time, and from time to time, modify, terminate or amend the Plan in any respect, except that if at any time the approval of the stockholders of the Company is required as to such modification or amendment under (i) Section 423 of the Code, or (ii) under

Rule 16b-3 of the Securities Exchange Act of 1934, as amended, or any successor provisions ("Rule 16b-3"), or (iii) under any applicable listing requirements, the Board of Directors may not effect such modification or amendment without such approval.

(b) The termination or any modification or amendment of the Plan shall not, without the consent of a participant, affect his or her rights under an Option previously granted to him or her. With the consent of the participant affected, the Board of Directors may amend outstanding Options in a manner not inconsistent with the Plan. The Board of Directors shall have the right to amend or modify the terms and provisions of the Plan and of any Options previously granted under the Plan to the extent necessary to ensure the continued qualification of the Plan under Section 423 of the Code and Rule 16b-3.

19. NOTICES.

All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received by the Company's Director of Treasury Operations.

20. MERGER OR CONSOLIDATION.

If the Company shall at any time merge into or consolidate with another corporation and the Company is the surviving entity, the holder of each Option then outstanding will thereafter be entitled to receive at the next Offering Termination Date upon the automatic exercise of such Option under Paragraph 8(a) (unless previously withdrawn pursuant to Paragraph 10) for each share as to which such Option shall be exercised the securities or property which a holder of one share of the Common Stock was entitled to upon and at the time of such merger or consolidation, and the Board of Directors of the Company shall take such steps in connection with such merger or consolidation as the Board of Directors shall deem necessary to assure that the provisions of

Paragraph 17 shall thereafter be applicable, as nearly as reasonably practicable, to such securities or property. In the event of a merger or consolidation in which the Company is not the surviving entity, or of a sale of all or substantially all of the assets of the Company, the Plan shall terminate, and all payroll deductions credited to participants' accounts shall be returned to them, with interest as determined by the Committee prior to each Offering Commencement Date; provided, however, that the Board of Directors may, in the event of such merger, consolidation or sale, accelerate the Offering Termination Date of the Offering then in effect and permit participants to purchase shares under the Plan at such accelerated Offering Termination Date.

21. APPROVAL OF STOCKHOLDERS.

The Plan has been adopted by the Board of Directors of the Company. The Plan shall be approved by the stockholders of the Company in accordance with Section 423(b)(2) of the Code.

22. REGISTRATION AND QUALIFICATION OF THE PLAN UNDER

APPLICABLE SECURITIES LAWS.

Notwithstanding anything to the contrary herein (including Paragraphs 4 and 8 hereof), no Option shall be exercised (and no Offering Period shall terminate) until such time as the Company has qualified or registered the shares which are subject to the Options under all applicable state and federal securities laws to the extent required by such laws. In the event the shares shall not have been so qualified and registered prior the date an offering is scheduled to terminate, the Offering Termination Date shall be the date upon which the registration of the shares and such other qualification shall have become effective; provided, however, that for purposes of Paragraph 6 of the Plan, payroll deductions shall cease on the date the Offering Period was originally scheduled to terminate for the applicable Offering.
